Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the State Park Drive Rehabilitation Project in Fiscal Year 2026. The entity to receive funding for this project is the Bay County Road Commission, located at 2600 East Beaver Road, Kawkawlin, MI 48631. The funding will be used to support the full resurfacing of 1.93 miles of roadway, stretching from Wilder Road to the Bay City State Park entrance. The project is an appropriate use of taxpayer funds because it improves safety, extends the lifespan of critical infrastructure, and supports future economic growth opportunities in the area.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kristen McDonald Rivet
Member of Congress
