Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bay County Regional Wastewater Infrastructure & Agri-Business Support Project in Fiscal Year 2027. The entity to receive funding for this project is Bay County Department of Water and Sewer, located at 3933 Patterson Road, Bay City, MI 48706. This Community Project Funding would support the replacement of the force mainline serving northern Bay County's wastewater system, which will soon be at capacity. The project is an appropriate use of taxpayer funds because this investment will restore system capacity, prevent failures, and maintain reliable wastewater service for both local residents and key economic drivers, including major food processing operations like Bay View Foods that depend on consistent infrastructure to support large-scale agricultural production and distribution.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of my appropriations requests.

Sincerely,

Kristen McDonald Rivet
Member of Congress
