Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Geddes Road Trucking Terminal and Maintenance Facility in Fiscal Year 2027. The entity to receive funding for this project is the Saginaw County Road Commission, located at 3020 Sheridan Ave, Saginaw, MI 48601. This funding will support phase one—including the installation of necessary sanitary sewer, water, and utility lines, site clearing and preparation, and foundation construction—of the Geddes Road trucking terminal and maintenance facility. This is an appropriate use of taxpayer funds because it directly addresses a demonstrated public need: ensuring that a rapidly growing, economically vital corridor remains safe, accessible, and well-maintained for the 99,220 workers, residents, and freight carriers who are serviced by Geddes Road.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of my appropriations requests.

Sincerely,

A handwritten signature in cursive script that reads "Kristen McDonald Rivet".
