Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Genesee County Advanced Manufacturing District Infrastructure Upgrade Project in Fiscal Year 2027. The entity to receive funding for this project is Genesee County, located at 324 S. Saginaw Street, Flint, MI 48502. The funding will be used to reconstruct and modernize Genesee County roadways to support the development of a planned 1,300-acre Advanced Manufacturing District and strengthen a key regional freight and commuter corridor. The project is an appropriate use of taxpayer funds because investing in critical infrastructure will attract private investment, strengthen supply chains, and create new employment opportunities, thus driving long-term economic growth and regional competitiveness in Genesee County.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of my appropriations requests.

Sincerely,

Kristen McDonald Rivet
Member of Congress
