Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Northeast Flint Senior & Disability Access Infrastructure Initiative in Fiscal Year 2027. The entity to receive funding for this project is the City of Flint, located at 1101 S. Saginaw St., Flint, MI 48502. The funding would support the purchase of capital equipment vital to the operationalization of this program's expansion, such as vehicles, cold storage, and upgraded technology. The project is an appropriate use of taxpayer funds because it would support critical capital infrastructure improvements that enable the program to safely store, manage, and deliver perishable and medically appropriate food to residents who cannot easily access grocery stores, food pantries, or other nutrition services.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of my appropriations requests.

Sincerely,

Kristen McDonald Rivet  
Member of Congress
