Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Saginaw County Health Department Site in Fiscal Year 2027. The entity to receive funding for this project is the County of Saginaw, located at 111 S. Michigan Ave Saginaw, MI 48602. The funding will be used to support the predevelopment, construction, and infrastructure costs necessary to build a new Saginaw County Health Department building. The project is an appropriate use of taxpayer funds because a modern County Health Department will improve health care access and service delivery for all Saginaw County residents, with particular impact on low-income and uninsured populations who rely most heavily on public health resources.

The project has a federal nexus because the funding provided is for purposes authorized by the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of my appropriations requests.

Sincerely,

Kristen McDonald Rivet
Member of Congress
