Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Promoting Community Safety in mid-Michigan in Fiscal Year 2026. The entity to receive funding for this project is the Michigan Department of State Police - Third District Headquarters (Flint and Tri-City Posts), located at G-4495 Corunna Road, Flint, Michigan, 48532. The funding would be used for acquiring vital equipment and supporting programming efforts that strengthen public safety infrastructure, enhance law enforcement readiness, and improve community engagement. The project is an appropriate use of taxpayer funds because it provides essential resources that enable law enforcement agencies to modernize operations, address equipment gaps, and respond more effectively to crime and public safety emergencies.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kristen McDonald Rivet
Member of Congress
