Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Expansion of Substance Use Disorder Residential Treatment Facilities project in Fiscal Year 2026. The entity to receive funding for this project is the Ten Sixteen Recovery Network, located at 133 N Saginaw Rd, Midland, MI 48640. The funding would be used for increasing programming capacity, improving the recovery experience for those battling substance use, and doubling the number of beds available for those who need these services. The project is an appropriate use of taxpayer funds because it expands access to critical recovery services in rural areas, particularly for women, filling a significant service gap and increasing treatment capacity during an escalating public health crisis. It also addresses the growing demand for support services amid the opioid and stimulant epidemic and supports public health in my community.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Kristen McDonald Rivet  
Member of Congress
